3.2 MAPs Growth Data & Incentives

Maps does not look great here nor does it across the country because of COVID - everyone is behind.
MAPS showed that the 6th, 7th & 8th graders all need to have some growth.
Ms. Yacubic put in some markers to target any student that grows. We will have prizes for individual student growth as well as some incentives for all students that show growth such as an ice cream celebration. There are also banners put up around the school to help students take it seriously.
