3.0 New Business

3.1 Opening School Procedures

- Students are following mask protocols very well
- Big concern of keeping adults on campus safe. Imperative we follow the 6 feet social distancing rule.

- First week went very well.
- New protocols are in place
 - Everything teachers assign/go over is on CANVAS.
 - Teachers and staff are working to get kids reacquainted to being back on campus.

3.3 First week count/ class sizes

- Within our region/area, all middle schools are seeing lower numbers. Counts aren't as they were expected.
- NVLA (Nevada Learning Academy) has the higher counts as many students chose to go online versus coming back.
- Goal is to get our enrollment numbers back up by reaching out to elementary schools.
- 8th grade is the highest with student enrollment, and 6th is the lowest & an area of concern.
